MEMORANDUM FOR: Deputy Director (Support)

SUBJECT: CI Staff Table of Organization (Annual Review)

1. This memorandum contains a recommendation in Paragraph 4 for 10/S approval.

2. The Chief, CI Staff (Annex I) has submitted a proposed T/O through the SSA-30/S for annual review. The changes requested (see Tab C, Annex I, and amendment to T/O dated 6 July 1957) consist of minor position adjustments between organizational units, some position title and grade changes, and redesignation of organizational titles of several elements. The total number of positions remains the same as that currently authorized.

3. The Director of Personnel has reviewed and approved the position titles and grades as listed in Annex I, with the exceptions listed in Annex II. The Chief, Budget Division, Office of the Comptroller, (Annex III) has made a budgetary review of the proposed T/O and comments as follows:

The increased cost over the present T/O, using the base salaries as a comparison, would amount to \$15,180. The average salary goes up from \$7,190 to \$7,360 and the average grade from GS-10.2 to GS-10.3. The FY 1958 budget estimate, however, covers the positions proposed and the average employment figure will provide financing for the estimated number that will be on duty. As there are no financing problems and the number of positions is within current authorized levels, there is no objection to the proposed T/O....

4. Your approval of the CI Staff T/O as listed and amended in Annex I (subject to the exceptions listed in Annex II) is recommended.
